## FAQ's... Subject Choices

**Q** What if I still can't decide which subjects to do?

**A** We know it can be really hard for some people to choose! Finding out as much as you can always helps: Use the 'Getting Started' subject packs on the JC6 website to find out more about what each subject involves. Look at where it might take you in the future. See if you can talk to someone who already studies it. And use the 'Live at Lunchtime' subjects sessions to ask all your questions!

**Q** Can I change my subject choices?

**A** Yes! You can change your options at enrolment in August, providing you have the entry requirements for the subjects you want to do, that the choices fit our timetable blocks and that there's room in the subjects you want to do!

Email [JC6@hajc.leics.sch.uk](mailto:JC6@hajc.leics.sch.uk) if you'd like a copy of the blocks to check.

# FAQ's... Subject Choices

**Q** Can I change a subject if I change my mind after I've started in September?

**A** You can, and some students always do. It's important to make any changes in the first three weeks or it's just too much content to catch up – but provided there's space, you qualify and you're willing to work to catch up, we'll always support you to change to a subject you really want to do.

**Remember,  
if you need any support please  
email us, we are here to help.**
