

Getting Started with... A level P.E.

Welcome!

The P.E. department are using an **online platform** called 'The Everlearner' (<https://theeverlearner.com/>) to provide PE students with activities and challenges through the next few weeks and as you prepare for A level study.

We just need your full name and the email address you like to use in order to sign you up and then allocate you activities. *We won't use any more of your details, of course, and you will have to verify the account yourself before it can be activated.*

Mr Barnacle, Head of P.E. manages the platform for JC6 – email him your full name and email address and he'll set you up on the JC6 Everlearner area: abarnacle@hajc.leics.sch.uk

You might also like to have a look at some **career ideas** for using the skills you develop in P.E. in the future: <https://online.flowpaper.com/79590737/PE20/>

Any questions? Contact JC6 on JC6@hajc.leics.sch.uk
